TRACY CITY MEN HELD FOR MURDER

GRAND JURY RETURNS FOUR TRUE BILLS GROWING OUT OF THE KILLING OF SHOOK.

TRACY CITY, Tenn., Dec. 2.—The grand jury has returned four true bills as a result of its investigation into the killing of Joe Shook on Nov. 18. The indicted men are Arthur Stephens, John Brown, Dick Brown and Meredith Wilcox. On application of Attorney General W. W. Fairbanks, Judge J. C. Higgins fixed bail at \$5,000 each. No true bills were returned against Felix Ake, Walter Wilcox, Newt Brown and Tom Carks, and they were released from custody. The others will be taken to the county jail. They had not succeeded in perfecting bail today. The trial was set for the next term of court, which convenes in March.

The indicted men and those liberated, were arrested within a few days after the killing of Shook, and they were bound over to the grand jury by Justices of the Peace W. D. Paddle and J. M. Givens.

Magnificent Production.

CHATTANOOGA, Tenn., Nov. 30. (Special)—The performance of "The Shepherd King" here last week was very magnificent. The scenery was most beautiful and effective, and the actors seemed to have gotten the spirit of the times so completely that they seemed to be living realities. It was different from any seen before, and at times there was a peculiar feeling of sacredness about it that was very impressive, and the dramatic parts were very thrilling. Jonathan's love for his friend was sublime and his two sisters were splendid—one cold, reserved and worldly ambitious, and the other full of joy and love.

The Blacklock Foundry, of So. Pittsburg, has made an agreement with its striking moulders, who have been out for four months. Both sides made concessions and both sides are better off. Now, let the T. C. I. & R. R. Co. get the same bee in its bonnet.

DELPHI.

Special to the News.

Miss Ella Tate went to Delphi Monday. W. H. Tate killed a fine hog Monday. R. C. Kelly killed hogs Monday. Miss Lizzie Tate is visiting Mrs. H. P. Tate this week. Sam Guess and family went across the mountain Sunday to their home. I want to say a few words to Aunt Patsy. I think you had better study the dictionary and learn to spell before you write any more. You threw off on Misses Ella and Lillie Tate's hogs. We have sold the hogs and got the money in a pocket book, and I am sure it will not go for jackets for both of my sisters and myself have new jackets and all they cost was \$14, and your girls have to wear capes. Did you know capes were out of style? Dee Hatfield called at W. H. Tate's Sunday for their dinner. Bill Griffith visited at Bill Tate's Saturday night. The was a Masonic Supper at New Hope Saturday night. Jim Mayberry sure enjoyed catching chickens for Birtie Griffith. Foster Bryant was all smiles Sunday. Pete and John Tate went to Delphi last week and a certain girl was picking peas and she ran her best to get to the road to say "Hello." If I couldn't do any better than that I would crawl in a hole. I would be ashamed of that the longest day I lived. Frank Tate can sure make raw potato fly. What is the matter, Blue Bird? Are you out of stamps? Hello Frank and Jack Tate. Did you get much sleepy Sunday night? Smith Griffith has moved to the city of Delphi so his boys and girls could walk the streets. Wood Wilson still wears the grins. Bob Bryant looks sad since Mary Tate has moved across the river. W. H. Tate is fixing to bale hay. Bill Tate, of Sequachee county has two heifer calves lost or strayed somewhere on Cumberland mountain. One is yellow and the other is a dark brindie. Any information would be gladly received from any of the correspondents. They are a little over one year old. Marked with a split in each ear. He would be glad for any information concerning them. White Lily.

Torture of a Preacher.

The story of the torture of Rev. O. D. Moore, pastor of the Baptist church, of Harpersville, N. Y., will interest you. He says: "I suffered agonies, because of a persistent cough, resulting from the grip. I had to sleep sitting up in bed. I tried many remedies, without relief, until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which entirely cured my cough, and saved me from consumption." A grand cure for diseased conditions of throat and lungs. At all druggists; price 50c and \$1.00, guaranteed. Trial bottle free.

Heart Flutterings.

"Harry Duckwell, aged 25 years, choked to death early yesterday morning at his home, in the presence of his wife and child. He contracted a slight cold a few days ago and paid but little attention to it. Yesterday morning he was seized with a fit of coughing which continued for some time. His wife sent for a physician but before he could arrive, another coughing spell came on and Duckwell died from suffocation.—St. Louis Globe Democrat, Dec. 1st, 1901." Ballard's Horehound Syrup would have saved him. 25c, 50c and \$1.00. Sold by Sequatchie Supply Store.

PETROS, TENN.

Special to the News.

Shooting fire-crackers seems to be the order of the day and night. Ye writer has no fire-crackers to shoot. The union men of Petros are making good money and I hope they will keep on making it. I will ask "Maybe" to write again and see what she has to say. Wonder if "Nip & Tuck" will write another piece. Dorsie Rogers and H. C. Crossley have got a telegraph instrument and are learning telegraphy. I hope they will soon master it. There will be a box supper for the benefit of the Baptist church in the Y. M. C. A. room. The Wood Band will play for them. Good wishes to the News and all the readers. School Boy's Brother.

Increased Coal Vein.

The working of the Douglass mines at Dunlap has been at a disadvantage on account of the thinness of the vein, so report ran. About a month ago a reporter saw Capt. John Frater at Victoria, who developed the vein, and asked him about it, and the Capt. gave him to understand that there was more coal there than was claimed. Now comes the Tribune, of that city and announces a 8-foot vein. Capt. Frater was right and the News is glad of it.
